Shipping and Delivery

Common Carrier

Zachys can assist in arranging shipment of your property via common carrier such as FedEx or UPS depending on your location. If you go this route, please be sure to:

Confirm State Laws: Talk to your chosen company about state laws and regulations regarding the delivery of alcoholic beverages.

Consider the Weather: Be mindful of the time of year and the availability of temperature-controlled vehicles. This helps protect your wine from damage during transit.

Please note that we are unable to arrange shipment to the following states via common carrier:

- Alabama
- Arkansas
- Mississippi
- South Dakota
- Utah
- Vermont

Shipping costs will vary depending on the weight and ultimate destination of your property. Please speak to a Zachys client service representative for estimates.
